Dear Dancemaster DJs (+ especially Steve) -

We are both professional musicians + we're extremely picky + hard to impress. But we were both extremely happy with Steve's professionalism + his music choices.

He was very accommodating of requests + received these with a pleasant demeanour, + always played what he promised. The crowd danced all night. We all had a great time.

We wholeheartedly would recommend Steve to anyone looking for a great DJ + an extremely reasonable price.

Many thanks for making our evening so enjoyable + memorable.

Sincerely - Karin + Devon
